

Programme of Study 2021-22: SCIENCE

B = Biology
C = Chemistry
P = Physics

	Year 7	Year 8	Year 9	Year 10	Year 11
Autumn 1	Intro Working Scientifically C1 1 Particles	C2 1 Periodic Table	B1 - You and your genes P1 - Radiation and waves B2 - Keeping healthy P2 - Sustainable energy	B4 - Using food and controlling growth C3 - Chemicals of the natural environment P3 - Electric circuits	C6 - Making useful chemicals P6 - Matter - Models and explanations Revision and exam technique
	C1 2 Elements	C2 2 Separation techniques			
Autumn 2	B1 1 Cells	B2 1 Health			
	B1 3 Reproduction	B2 2 Ecosystems			
Spring 1	P1 1 Forces	P2 1 Electricity + Magnetism	C1 - Air and water B3 - Living together C2 - Chemical patterns	B5 - The human body C4 - Material choices P4 - Explaining motion	Synoptic consolidation: B1-6 C1-6 P1-6 Working Scientifically Exam Technique
	P1 2 Sound	P2 2 Energy			
Spring 2	C1 3 Reactions	C2 3 Metals + Acids			
	C1 4 Acids and alkalis	C2 4 The Earth			
Summer 1	B1 2 Body systems	B2 3 Adaptation + Inheritance		B6 - Life on Earth C5 - Chemical analysis P5 - Radioactive materials	Exams
Summer 2	P1 3 Light	P2 3 Motion + Pressure			
	P1 4 Space
