October 2019

Dear Parent/Carer,

Leaving school at 16 can be a bewildering time for young people and parents alike, as the range of options open to school leavers grows ever more complex. Help is, however, at hand in the form of **MOVING ON...CAREERS INFORMATION EVENING** to be held in school on Thursday 17th October at 3.15pm to 5.15pm.

The aim of the event is to offer parents and pupils as much information as possible about college and university courses, career pathways and apprenticeships.

There will be many exhibitors from a range of careers as well as local colleges from the Greater Manchester area and a selection of work based learning providers who will all be available to answer any questions on the evening.

Year 10 and 11 pupils and parents can attend at any time, between 3.30pm and 5.30pm and can stay as long as they wish. Although this is a critical event for Year 11 pupils, we really encourage Year 10 parent and pupils to attend. Once pupils start Year 11 they have less than a term to make their mind up and apply for College or an alternative such as an apprenticeship or traineeship.

We are sure that you will find this event beneficial as your child moves through the final stage of his or her education at St Patrick's.

We look forward to seeing you on Thursday 17th October.

Yours faithfully,

Mr D. Macafee
Careers Coordinator

Amazing things happen here

Executive Principal : Mr P Murden
Headteacher : Mrs A Byrne
