**Vouchers for meals and cost of living increases for pupils eligible for Free School Meals**

Dear Parents/Carers,

We have been informed that Salford City Council have been provided with funding to support with food and cost of living increases for pupils who are eligible for **Free School Meals**. Vouchers, worth £65 per child, will cover the summer period up to 31.08.2022.

If you are currently paying for school meals, but think you may be entitled to claim Free School Meals, please submit a new application before the closing date of 1<sup>st</sup> July 2022.

<https://www.salford.gov.uk/schools-and-learning/free-school-meals/>

Parents whose new applications are received after this date will not be eligible to receive vouchers but may be able to apply for support through the Household Support Fund.

If your child already receives Free School Meals at St Patrick's, you do not need to do anything.

Vouchers will be sent out electronically by email. Please check your SPAM if you do not receive anything by 8<sup>th</sup> July and let us know so that we can look into it before we break up for the summer. Also if you have changed your email address, please let us know immediately.

If you need any support with the application process, please contact school or there is also a Spirit of Salford support line: 0800 952 1000.

Kind regards
