Amazing things happen here

Dear parents and guardians,

On Friday 30th June, we are having our first ever St. Patrick's Mission Day. This is going to be a day of joy and community to understand what we stand for as a school community.

Our school wants to make sure that pupils are the best version of themselves so that they can make a difference to God's world

We have a really great sense of community and identity at St. Patrick's – we are proud of who we are, our green uniform, our brilliant pupils. We want to celebrate that but we also want our pupils, parents and staff to understand the five values our school stands for better.

On the day, the normal timetable will be suspended. Staff have planned sessions which are based on the values but are also about celebrating our pupils and our community.

So, for example, when the pupils learn about Faith, they will be thinking about the idea of self-advocacy and what it means for them to be a child of God and when they learn about Service, they will understand more about the social and economic needs of our local area, Salford.

And all of this is so that our pupils can go out and make a difference in God's world when it is time for them to move onto the next stage of their education.

We look forward to everyone being in and participating in this special day. **Everyone is invited to wear their PE kit on Friday 30th June** as it is a more relaxed day. This must be full correct PE kit – we want to welcome pupils with a smile rather than placing pupils into detentions on a day of joy.

The canteen will be providing food as normal and if a pupil normally brings lunch in, then they should do so.

Thank you for your continued support,

Ms G. O'Hagan

Deputy Headteacher

Helping every child to be the very best version of themselves

Headteacher: Mrs A Byrne
