Amazing things happen here

Dear Parents and Guardians,

As you know, next week, on Monday 8th July, we will be celebrating this year's St. Patrick's Mission Day. This is going to be a day of joy and community to celebrate what we stand for as a school community.

On the day, all pupils should arrive at school at 8.25am as normal and go to Form (*unless you are Group 1 of the Watersports trip who must arrive by 7.45am*). We look forward to everyone being in and participating in this special day.

We have six trips going offsite for the day and if your child is participating in one of these, you should have received a letter from the trip leader. Please ensure you read it carefully for any special arrangements, food or clothing that is required. Any outstanding payments should be completed this week.

Everyone is invited to wear their PE kit on Monday 8th July as it is a more relaxed day. This must be full correct PE kit – we want to welcome pupils with a smile rather than placing pupils into detentions on a day of joy.

If your child is staying onsite, they will be participating in **three** activities for the day, one of which is their chosen activity:

Year 7 – Dragon Race, board games, Mobile Planetarium and Salsa Dancing

Year 8 – Dragon Race, board games, Orienteering and a Science workshop

Year 9 – Badgemaking, Cookery Masterclass, Orienteering and a Science workshop

Year 10 – Orienteering, board games and a Science workshop

Break and lunch will be at the normal times. The canteen will be providing food as usual and if a pupil normally brings lunch in, then they should do so.

Thank you for your continued support,

Ms G. O'Hagan
Deputy Headteacher

Helping every child to be the very best version of themselves

Headteacher: Mrs A Byrne
