

ST. PATRICK'S RC HIGH SCHOOL  
A National Teaching School

Dear Parent/Guardian,

Further to consultation with governors and pupil voice the PE department will be introducing a new Puma branded PE kit for all years.

Please note the kit will no longer be supplied by Whittaker's Uniform suppliers but will be available to buy online through a St Patricks online shop. The link for the online shop is to be accessed through the school website [www.stpatricksrhigh.co.uk](http://www.stpatricksrhigh.co.uk)

The aim is to provide our pupils with modern, comfortable and appropriate clothing that allows all pupils to perform to the best of their ability in their PE lessons. The new kit will also help provide our pupils with a greater sense of identity when competing in extracurricular activities at local, regional and national level.

There will be a gradual phasing in of the new kit so pupils are not expected to purchase the items until they have grown out of their current kit. By September 2021 it will be mandatory for all pupils to be wearing the new kit in lessons. Until this date all students will be able to continue to wear the existing PE Kit.

The standard bundle of kit will remain the same. All pupils must purchase the T-Shirt, shorts and socks as a basic requirement. All additional items are optional.

There will be a significant number of additional options pupils can purchase should they wish to do so. These include tracksuit bottoms, hats, gloves, schools bags, school coats and other outerwear.

The new kit will be supplied by Genesis sports an official PUMA supplier and will be available to purchase from June 2019.

Yours sincerely

Mr M Challoner  
Head of PE
