Amazing things happen here

23rd June 2022

Dear Parents / Carers,

As you are aware, we have had Ofsted visit our school this week. Although I am not allowed to inform you of the judgement until the report is ready, I would like to give parents some feedback on what has been a very successful two days. We have always known the following about our school:

- This is a great school that works hard for children. This was recognised by inspectors.
- Our children are fantastic and work hard. They behave very well. This was recognised by inspectors.
- Our teachers expertly teach in lessons and know exactly how to move pupils on. This was recognised by inspectors.
- Leaders care so much about children and staff and lead well. This was recognised by inspectors.
- We are on a journey developing our Key Stage 3 curriculum since we changed from a 2-year KS3 to a 3-year KS3 last year. This was recognised by inspectors. They gave us some excellent advice about how we can embed our curriculum fully, especially at Year 9.
- Staff have worked very hard to support learners throughout the pandemic. Inspectors recognised leaders have made many adaptations to help children catch up.

As the Headteacher of St Patrick's I feel very proud of our children and staff over the two days. As a reward, all children received an ice-cream from the ice-cream van today! They were brilliant. We pride ourselves on always learning and improving. We will learn from all the great advice from the inspection team and continue to do our best for our children.

As soon as the report is ready I will send it out to parents. Thank you for all your support and best wishes this week – we really value it.

Kind regards

Mrs Byrne
Headteacher

Helping every child to be the very best version of themselves
