

Monday 8<sup>th</sup> September 2014

Dear Parent/Carer

A Year 11 Information Evening for parents and pupils is being held on Thursday 25<sup>th</sup> September from 5.30pm. Your attendance at this Information Evening is essential to your son/daughter's success. The evening will begin with a short presentation in the School Hall focusing on parental involvement, as we recognise that many parents feel at a loss when their children are approaching the final stage of their formal education.

Following the presentation, there will be a meeting with your child's Form Tutor during which you will discuss your child's GCSE targets and have the opportunity to talk about their current progress. You will receive a parents' pack which contains a variety of resources to assist you in the coming months.

Your child's Form Tutor will be in touch this week to tell you what time you should attend and to arrange your meeting with them.

Your contribution and involvement does make a difference. We know that by working together your son/daughter will be successful and achieve their full potential. We are proud of how they have risen to the challenge so far and working together now we will all be proud of their achievements in the summer.

Yours sincerely
