## Remembrance Day

Every Year on the 11th of November at St Patrick's as a school and community we all take a moment to remember those troops and soldiers to say thank you for their service, because they have fought in the war and lost their lives. To make awareness of these wonderful people we all take a two minute silence to honour the soldiers and in our hearts to say Thank you. We also wear red poppies to school on this occasion because it shows a sign of respect and Peace. Poppies grew on the battle-fields of the Western Front during WW1, and they remain an enduring symbol of remembrance.

## BLACK HISTORY MONTH

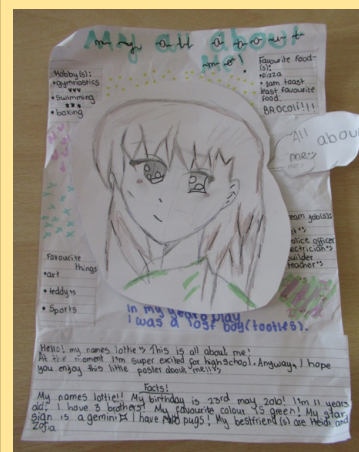

October was Black History month and at St Patricks we decided to celebrate different cultures! We chose to share different foods from various cultures, such as Jamaican Banana Bread which was delicious! Many students from all backgrounds helped prepare the foods for staff and pupils.

# Mental health awareness

Mental health plays a big role in our society, whether you're a girl or a boy. Your feelings matter. We have recently celebrated mental health awareness week and there will be lots of pupils who are experiencing different mental health issues, such as anxiety. Stress with school work and peer pressure can make people feel anxious but fear not you are not alone. If you ever feel anxious, here are some tips.

- Try find a hobby or a talent to calm yourself down.
- Do something relaxing like have a warm bath.
- Draw or paint something.
- You could also give the latest book a try . By Clare

## St Patrick's School Production

The Addams family musical is coming soon. This show stop-ping bananza will leave you wanting more. Maxx Twohig is playing Pugsley and I asked him what his inspiration was. He said" I have always been interested in drama so when I heard about the musical, I had to audition."

This musical is about Wednesday Addams finding love with falling for a "perfect" guy called Lucas. For a matter of facts I got a another quote from a good friend who plays Lucas Barnacy and he said "mint" yes just "mint".

My favourite line is "oh Wednesday you ae growing up so quick you will be Thursday before I know it" - comedy gold. To sum up it is going to be a great musical and personally I can't wait to watch it.

Can you complete this in 1 minute?
