

# Year 7 News

Come and join us at on a Friday in the Library at Break if you would like to take part!

**Focus this term: End of Y7 Reflection**

## Guess Who?

**Can you guess who the teacher is hiding behind the book? By Lily**

**Issue 3: Term 4 July 2020**

Imagine waiting for food all day, stomach rumbling for a slice of pizza; the smell of melting cheese and tangy tomato sauce. Our school food can appear simple, but they make them into mouth-watering dishes. Our school pizzas are opinionated, as anything is. They have multiple choices including: sausages, ham, plain cheese. They have a lovely texture and a sweet kick. Check them out!

**Moving into year 8... by Esme and Eden**

Are you worried about moving into year 8? Fear not! Year 8 is no different to year 7. Are you worried about sets/detentions? Don't worry, sets are often moved and detentions are very rare! Are you worried about new teachers? All teachers will be kind and encourage you to learn to your best abilities.

Do you tutors/mentors? These will continue until you do not need them anymore. Will I continue in the same class? You will be in the same class until the end of the year but if you do have any concerns about anything or anyone in your class then please speak to a teacher.

Year 8 is very similar to Year 7 so your worries and stress is not needed. Even if you are known for being given many detentions and for having poor behaviour next year is the year to change. You will be the new role models for the year 6s.

### Sports day by Blessing

As you know, sports day is coming up. This will take place on the Thursday 15th of July 2021. All students are permitted to wear their PE Kits on this day and occasion. What the PE Department has done is come up with activities that we will do and enjoy on the day. The day will contain a variety of sports such as 100 Metre run, 200 metre run, shot put, javelin and more.

## SCHOOL TRIPS BY LUCY

Within your 5 years of being a saint Patricks pupil you will most likely be given a letter informing you about a trip abroad that you have been invited to participate in. Unfortunately not everyone may be able to get involved due to the cost and amount of people. Fortunately if your behaviour is good throughout the year there are trips such as Alton Towers. These trips are a good way to spend time with your friends and classmates but not in a classroom.

There are also other trips that you have to pay for and the maximum of pupils able to go are around 80. This year's trip a ski trip to Milan in Italy. However this trip will not be until you reach Year 8.
