YEAR 11 PARENTAL INFORMATION EVENING

What makes St Patrick's great, is the relationships between the school, its pupils and their parents. A wonderfully attended night where parents got to meet the "Parent within School" i.e. The Form Tutor.

Remember "Parental Support is 8 times more important and effective than social background"

Thank you to all the parents for your constant support!

WORKING SKILLS DAY

Year 11 participated in a carousel of activities that involved a number of outside agencies. Pupils developed their CV writing, Interview skills and developed a greater understanding about Apprenticeships and University life. The Army also visited and pupils received valuable information to help them make important choices. Pupil engagement was brilliant and all agencies were "bowed over" by the Year 11's at St Patricks

YEAR 11 OCTOBER HALF TERM EFFORT AND ENGAGEMENT CHAMPIONS

Effort and Engagement in all lessons is essential to fulfil potential. 31 pupils in our amazing Year 11 highlighted these qualities by achieving a "full house" of 35 out of 35 Yes's from teachers in their Effort and Engagement report. Simply perfect!

It was great that on this day Canon McBride from the Salford Diocese was visiting St Patrick's on this day and had the opportunity to meet these highly committed pupils.

Keep up the hard work and enthusiasm and you will fly!
