A glossary is attached in the Local Offer for any acronyms you may not understand.

The SEN Information Report is linked to our Local Offer and can be found on the same site. As you work through this document, you will see there are overlaps in the detail in much of the information being asked for. You can cross refer to other appropriate sections in other documents to avoid duplication of effort or, perhaps it would be easier for parents if you cut and paste sections of what you have filled in on the Local Offer Template into this document.

c. The school's approach to teaching pupils with SEN

We aim for St Patrick's RC High School to be a Catholic school to which children wish to come, to which parents wish to send their children, and where teachers wish to teach.

Our outstanding school community is guided by the Gospel values of: love, forgiveness, reconciliation, justice, integrity, humility and truth. Faith and worship are lived, taught and celebrated. We recognise the importance of service to others and the opportunity to be witnesses to Christ in our community. All are unique and strive for personal growth. We celebrate the pursuit of academic excellence, applaud ambition and value the achievements of all. Our pupils are expected to achieve their best and use their learning to make a difference in the world they live in

Quality first teaching takes place in every classroom.

We are very proud of the good practice that is in place throughout the School to ensure that all pupils are supported to make the best progress possible and to fulfil their potential. This will include the use of differentiated worksheets, tasks and in some cases personalised teaching to meet pupils' specific needs.

We are striving towards becoming an Emotionally Friendly School and this year we are working closely with the Primary Inclusion Team, Salford Education Psychology Service and the I-Reach CAMHS team to make progress in this area.

Although EAL is not deemed as SEN, we do recognise that they would require something additional and different. Pupils who speak English as a second language may also require additional modified curriculum programmes

We are aware of our duties under the Single Equalities Act 2010 and will make any reasonable adjustment possible to ensure pupils with SEN and/or disability are not treated less favourably and to ensure that their needs are met.

We are aware of new Statutory guidance entitled Supporting Pupils at School with Medical Conditions (February 2014) and are compliant with these duties.

d. How the school adapts the curriculum and learning environment?

Examples may include:

Enlarged print/Laptop for VI pupils

Curriculum scaffolded and differentiated to meet the needs of SEND pupils

Use of all aspects of AFL by teachers in every class has a profound impact on the quality of learning. Enabling pupils to really understand where they are in their learning journey and what they need to do next to improve further and become independent learners.

Small class sizes in lower year groups - sets

Word Walls

Help boxes

Alternative methods of recording – Laptop/Scribe/Reading Pens
