Love – Drama allows pupils to trust their abilities and express themselves creatively in a supportive environment.

At St Patrick's, we believe that learning goes beyond the classroom which is why we have a Co-curricular Programme rather than an 'extra-curricular' programme. Our wide range of co-curricular activities gives every pupil the opportunity to develop new skills, discover passions, and build lifelong friendships.

Getting involved in clubs, sports, music, drama, and leadership opportunities helps pupils grow in resilience, facing challenges with determination and learning from setbacks. Through teamwork and shared experiences, they develop a deep sense of love and community, supporting and encouraging one another.

Our activities encourage Faith—Faith in pursuing their God-given talents and demonstrating the values that guide them. Pupils experience the power of service, giving their time and talents to help others, whether through charity initiatives, mentoring younger pupils, or contributing to the local community.

Above all, co-curricular activities foster a commitment to Truth—helping pupils develop integrity, confidence, and a strong sense of self. By stepping beyond their comfort zones, they grow into well-rounded individuals, ready to take on the future with passion and purpose and make a difference to God's world.

Join us and make the most of every opportunity!
