

# Year 10

## End of Year Revision Checklist

### English

#### English Language

- Language and structure analysis
- Evaluation skills
- Creative writing (vocabulary, methods, structure)
- Spelling, punctuation and grammar

### Maths

Pupils will be assessed on their cumulative knowledge of Maths including the foundations they learned in primary school. They could be tested on any of the content they have covered in their Mathematics learning so far.

Pupils should focus their revision on content that they have not yet mastered and use the feedback from their last examination to inform their revision. Class teachers will also provide some practice papers for pupils to work on to support their development of exam technique.

Pupils will sit three papers. Paper 2 and Paper 3 require the use of a calculator and pupils will need to bring their own scientific calculator on the days of these assessment.

### Science

- B1 - 6
- C1 - 4
- P1 - 4

Year 10

# End of Year Revision Checklist
