School Mission Statement

Our school community is guided by the values of truth, resilience, service, love and faith. Our Catholic faith is taught, lived and celebrated. We strive for academic excellence, celebrate ambition and value the achievements of all.

We recognise the importance of kindness, the value of friendship and our role in making a difference to God's world.

School British Values Statement

St Patrick's teachers uphold public trust in the profession and maintain high standards of ethics and behaviour. Teachers do this by not undermining fundamental British values and ensuring that personal beliefs are not expressed in ways which exploit pupils' vulnerability or might lead them to break the law.

Aims and Rationale

St Patrick's is committed to a positive policy of encouraging pupils to attend school regularly. The school will work in partnership with families, the Local Authority Attendance Officer and other relevant services to secure this aim.

Every child has a right to access the education to which they are entitled. Parents\carers and school staff share the responsibility for ensuring that educational opportunities are maximised by encouraging excellent attendance and punctuality to enable pupils to reach their full potential.

The school will encourage and value high attendance and punctuality rates. The school will recognise the external factors which influence pupil attendance and punctuality and will work in partnership with families, the Attendance Officer and other relevant services to deal with any issues. The school will take a proactive approach to the promotion of good attendance and punctuality by defining expectations with pupils and their parents and will provide an effective and efficient system for monitoring attendance and punctuality in accordance with legal requirements.

The purpose of this policy is to ensure that there is an efficient system, known to all for ensuring that pupils who should be attending the school have registered twice daily and during lessons, or a reason for non-attendance of pupils is known to the school.

St Patrick's RC High School aims to encourage the highest levels of attendance and punctuality for all pupils so they can become the best version of themselves by adopting the following strategies:

- maintaining a high profile for attendance and punctuality
- reducing levels of absence in line with national standards by reviewing the absence target annually
- raising attendance awareness by regular publication
- providing clear guidelines for staff on the registration process and the accurate and full use of register codes
- addressing attendance and punctuality related matters in the induction programme for new staff
- informing parents of their legal responsibilities regarding attendance and punctuality
- ensuring that clear information is regularly communicated to families, governors and staff via:
 - the school website
 - Year 6 information packs
 - school prospectus

- pupils' planners
- home-school agreement
- regular newsletter items
- guidance and advice in the staff handbook
- governors' meetings
- raising awareness of attendance and punctuality issues at parents' evenings and new intake meetings
- promoting effective and consistent communication between home and school
- actively discouraging parents from taking holidays in term time
- dealing with all unauthorised absences
- maintaining clear procedures for recording lateness
- rewarding good attendance and punctuality
- promoting an effective partnership with the Locality Team
- applying the whole school attendance and punctuality policy consistently
- keeping accurate records

The effects of non-attendance

Any absence affects the pattern of a child's schooling and regular absence may seriously affect their learning. The Department for Education (DfE) defines a pupil as a 'persistent absentee' when they miss 10% or more schooling across the school year, for whatever reason. Furthermore the DfE defines a pupil as a 'severe absentee' when they miss 50% or more schooling across the school year, for whatever reason. The table below shows how just a few days of absence can result in a child missing a significant number of lessons.

Attendance during the year	Days missed	Which is approximately	Lessons missed
97%	6	1 week	30
95%	9.5	2 weeks	48
90%	19	4 weeks	95
50%	95	20 weeks	475

Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#) (and [2010](#), [2011](#), [2013](#), [2016](#) amendments)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

Roles and responsibilities

Recording attendance

Attendance register

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Morning registration

- Our pupils must arrive in school by 8.25am on each school day.
- The register for the first session will be taken at 8.30am and pupils arriving after this time will be marked as late (L) – which still counts as present. See DfE Attendance Codes – Appendix One.
- If a pupil arrives after the close of registration (after 9.30am), they will be marked with the unauthorised absence code ‘Late after registers close’ (U) for the morning session. If a pupil arrives late after the registers close due to a valid reason, such as an unavoidable medical appointment, their absence will be marked with the appropriate authorised absence code.

Afternoon registration

- The afternoon register is taken at 1.00pm and will be kept open until 1.30pm.

- If a pupil has been out of school during the morning session and arrive at school after 1.00pm but before 1.30pm, they will be marked as late (L) – which still counts as present.
- If a pupil arrives after 1.30pm, they will be marked with the unauthorised absence code 'Late after registers close' (U) for the afternoon session. If a pupil arrives late after the registers close due to a valid reason, such as an unavoidable medical appointment, their absence will be marked with the appropriate authorised absence code.

PROCEDURES

Registration

Morning registration is undertaken by Form Tutors at 8.30am and by Class Teachers at 1.00pm each day. Registers should be marked promptly at these times.

First day of Absence

Parents and carers are expected to notify the school of the reason for their child's absence on each day of absence. If a pupil is absent due to illness which lasts more than one day, the parent or carer should provide an update each day, unless otherwise agreed with the school.

If no contact has been made with school by 9.30am, telephone calls will be made by the Attendance Manager to the families of all pupils who are absent. If parents or carers cannot be contacted by phone, we will phone the pupil's emergency contacts, in priority order. Priority will be given where there is additional support in place or where a pupil is considered more vulnerable.

If we are unable to establish why a pupil is absent and/or we are concerned for the welfare of a pupil, we may carry out a home visit and/or request a Welfare Check from police.

Reasons for absence will then be entered on to SIMS and relevant staff advised of the outcome of enquiries.

All absences will be monitored. The Attendance Manager will send an advisory letter and make a telephone call to families of any pupil whose absences become a cause for concern and liaise with Heads of Year, the Senior Leader responsible for Attendance and the Attendance Officer about any actions that need to be taken.

Intervention procedures will be followed (see below). Escalation of intervention will be dependent on:

- Extenuating circumstances
- Patterns of absence
- Attendance history
- Changes in medical needs or home circumstances

The Attendance Manager will initiate/escalate intervention procedures in consultation with Heads of House and the Senior Leader responsible for Attendance.

Support with Absence - Escalation of Intervention

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

Use attendance data to find patterns and trends of persistent and severe absence

Hold regular meetings with the parents/carers of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school

Provide access to wider support services to remove the barriers to attendance

The escalation procedure is:

Stage	Action	Person involved	ATTENDANCE OFFICER may become involved at any stage if requested.
Stage 1	Letter sent to parent by the Attendance Manager informing them attendance is a cause for concern	Attendance Manager	
Stage 2	Attendance Manager conducts a phone appointment meeting with parent	Attendance Manager	
Stage 3	Head of Year meets with parent and pupil	Head of Year	
Stage 4/Pre Panel Meeting	Assistant Headteacher (Pastoral) meets with parent and pupil	Assistant Headteacher (Pastoral)

Fast Track	Action with the Local Authority/Court action Parents to be given documentation at the Attendance Panel of the Fast Track process/implications	.	
A Fixed-Penalty Notice can be actioned at any stage. This might be when support - Isn't appropriate for the situation (e.g. an unauthorised holiday in term time) - Is not successful - Is not engaged with			

For more detailed support on attendance, parents should contact their child's Head of Year in the first instance.

Truancy

In cases where it has been established that pupils have truanted from school, families will be contacted by telephone and may be invited into school to meet with Head of Year to investigate possible reasons for a pupil not wishing to attend school. Unauthorised absence will be entered on the pupil's attendance record and Pupil Services should be notified so that details can be entered on the behaviour log.

Emotionally Based School Avoidance

Emotional Based School Avoidance (EBSA) is a broad umbrella term used to describe a group of children and young people who have severe difficulty in attending school due to emotional factors, often resulting in prolonged absences from school. A range of agencies in Salford including Educational Psychology, Attendance Services, Child and Adolescent Mental Health Services and

Early Help have developed a multi agency graduated approach for young people experiencing or at risk of EBSA.

Truancy from lessons

Classroom Teachers will notify the main office who will contact parents by telephone. In cases where this has not been possible the school will send written notification. If the pupil has not participated in any lessons the register will be amended to show an unauthorised absence.

Pre and Post School Holiday Scrutiny

Absences three days before and after school holidays and on the day of any Reward Trip will be scrutinised closely and remain unauthorised unless evidence is provided.

Punctuality

Should a pupil arrive after the start of registration, he/she will be marked as late for that session. Pupils who arrive after close of registration will get a 'U' code which is an unauthorised absence.

Pupils who arrive at school during registration should not be admitted to class until they have signed in at reception. This is important for health and safety reasons.

It is important to note that underlying problems contributing to poor punctuality should be taken into account and an Early Help Assessment referral may be deemed appropriate at any stage of the punctuality intervention.

The effects of late arrival

When a pupil arrives late to school, they miss important events like assembly, PSHE sessions, reading intervention, teacher instructions and pastoral support; this can seriously disadvantage pupils. Frequent lateness can add up to a considerable amount of learning being lost.

L Code and U Code – Punctuality

The late L code will be used when a pupil arrives late to school, before the close of the morning session.

The U code will be used when a pupil arrives late to school, after the close of the morning session.

Once a pupil has 10 sessions (5 school days) of U codes, at any time in the school year, consideration will be made to apply for a Penalty Notice Warning Notice, through the LA.

Attendance/Punctuality Data

Form teachers will receive attendance and punctuality information weekly and in advance of parents' evenings to enable discussion of concerns.

The Attendance Manager will contact parents daily and monitor attendance data to identify particular individuals and cohorts whose attendance/punctuality causes concern.

Heads of Year will be responsible for analysing this data and its correlation to attainment and will provide feedback on action taken to address attendance and punctuality issues for individuals, tutor groups and specific cohorts to relevant staff.

As part of this process Attendance Spreadsheets will be maintained by Head of Year, Attendance Manager and the Senior Leadership Team. The Attendance Officer and Head of Year will review these weekly and the Senior Leadership Team fortnightly during Head of Year meetings.

As part of this process, PAs (Persistent Absentees) or potential PAs will be identified weekly; by the Attendance Manager and Head of Year. The Senior Leadership Team will review fortnightly during the Head of Year meetings. All appropriate escalation of interventions will be put in place and recorded.

As part of this process, "Lates" will be monitored daily by the Form Tutor/Head of Year /Pupil Services in line with the Punctuality Escalation of Intervention protocols.

As part of this process PL (Persistent Lates) tracking sheets will be maintained by the Senior Leadership Team and reviewed fortnightly during Head of Year meetings, according to the Punctuality Escalation of Intervention protocols.

Heads of Year, the Attendance Manager and the Senior Leadership Team will ensure SIMs (School Information Management System) and Attendance and Punctuality spreadsheets are kept up to date with action taken/strategies used recorded to improve levels of attendance/punctuality in readiness for Inspections.

The school will use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies.

Reintegration

A procedure for re-integration to school after a period of absence, including exclusion is arranged by the Head of Year in consultation with Heads of Department and the Assistant Headteacher (Pastoral) and/or Assistant Headteacher (Inclusion). This should include risk assessments where appropriate dependent on the nature of the absence.

Rewards

The school recognizes that rewarding good and improved attendance should be carefully considered in order to ensure that pupils with poor attendance do not feel marginalized or worried about their low attendance rate.

We will promote good and improved attendance and punctuality in a range of ways which include commendations, letters home, texts, reward trips, prizes and reward points.

We will regularly review any reward systems to ensure they are not negatively impacting on individual pupils or groups of pupils.

Record Keeping

The school main office will keep an Admissions Register (Roll Book) which will be updated not less than once in a twelve-month period either hard-copy or saved to a pen drive. The school will also take electronic attendance registers at the beginning of the morning and during the afternoon sessions in addition to registers of pupils' attendance at lessons. Hard copies of the registers will be printed and bound not less than once month and will be kept for a minimum period of three years.

Absence notes will be placed in pupils' files. Absences unaccounted for will also be followed up by telephone or letter.

Evaluation and Review

This policy will be reviewed annually by the Senior Leader responsible for Attendance and formally reviewed by the Governors' Pupil Welfare Committee meeting after attendance targets have been agreed by the Full Governing Board.

The Education (Penalty Notices) (ENGLAND) (AMENDMENT) Regulations 2024

2024 No. 210

Education Penalty Notices for Non-School attendance

New Legislation comes into force on 19th August 2024 regarding the issuing of penalty notices relating to none school attendance.

Schools are required to consider, on a case by case basis, whether to ask the Local Authority to

issue a Penalty Notice to a parent when their child's absence is unauthorised.

Working within a Code of Conduct, Salford Local Authority can issue a penalty notice to parents or carers if a child has missed a number of sessions without permission from the school.

If your child falls within one or more of these categories within a 10-week period;

- 10 sessions (5 days) of unauthorised absence (O coded)
- 10 sessions (5 days) of unauthorised holidays (G Coded)
- Persistently arrives late for school after the close of registration (U coded)
- 10 sessions (5 days) of unauthorised absences (O, G and U coded)

You may receive a Penalty Notice for the offence of failing to secure regular school attendance. Within the new National Framework, there is a national limit to the amount of Fixed Penalty Notices

that can be issued to any parent in respect of an individual child, within a three-year period. Each fixed penalty is issued on the basis of per parent/per child – therefore where a child has two parents, two fines may be issued.

The fixed penalty notice amount has increased to the following:

- Penalty Notice One - £160 discounted to £80 if paid within 21 days.
- Penalty Notice Two - £160 with no discount offered.

Should a third absence be taken within the three-year period, a parent may be summonsed to the Magistrates Court for knowingly failing to secure good attendance at school (Section 444 (1A) of Education Act 1996).

Please note that from 19th August 2024, schools are not able to authorise any leave of absence for holidays.

The local authority and schools are committed to providing the best possible future for your child. If you have concerns about your child's attendance at school or if you are experiencing any difficulties, please contact your school and ask for support.
