			Science – Chemistry <i>Knowledge revision and practical work (Triple only)</i> MC 11:15am – 1:15pm S8	

Pupils should arrive to school on time and will be met at the main entrance to school by their teacher.

Pupils on site must not be wandering around the building as site works will be ongoing over the holidays.

Pupils should remain with their class teacher and use the toilets nearest to their classroom.

No food or drink will be available onsite, so pupils should bring refreshments with them and ensure rubbish is placed in the bins.

Any pupil who misbehaves whilst onsite will be asked to leave.
